#### **4. Steering committee Elections**

We will once again be holding elections for Steering Committee positions of President, Secretary and Treasurer. The Meet Director Position, a position that has not been filled yet, may be added to the list as well. If you have any interest at all, please let Coach Evan, Ronnie or Jenny know.

We will have a questionnaire at the banquet that we need each family to fill out for us. We need to know your interest in participation with the Steering Committee, what days and times work best for you and if there is interest at the other locations. Is there any interest for the outside locations in hosting a mini-monthly recap meeting with Coach Evan after the regular steering committee meeting? Is someone from the outside location interested in representing that location and passing on the information to the other families in that area? If you have ideas that could help our steering committee grow and become stronger, please do not hesitate to share them with us!
