**Group Cycle** – Come join in on this challenging, fun, and one of the best ways to improve cardiovascular fitness while burning calories. Group cycle is minimal impact and can accommodate all ability levels.

**H.I.I.T.** – High Intensity Interval Training. A cycle class that takes you through this challenging workout that burns fat and boosts endurance. This unsustainable, intense burst of energy output revs up the metabolism to burn fat and calories.

**Cycle/Stretch**– Combines the cardio fitness challenge on the bike of Group Cycle and then moves into some deeper stretches to help increase flexibility and get a deeper release through the entire body.

**Intro to Cycle** – Learn how to get set up on your bike, go through body positioning, cadence, resistance and what to expect when you go into your next class. Feel confident and have fun as you increase your fitness level.
