

TOGETHER

**WE HELP OUR
COMMUNITY
REACH
ITS FULL
POTENTIAL**

Your gift to the Y's Annual Fund gives your neighbors access and opportunity. Our donors help fund and support our financial assistance program, Safety Around Water initiative, Camp Olson, mission program, supervised visitation, and much more!

Families enjoy a nurturing environment to reconnect, and individuals of all fitness levels and physical abilities can grow stronger in body, mind and spirit.

DAD AND DAUGHTER SHARE Y EXPERIENCE

"I like EVERYTHING about the Y!" exclaims 10-year-old Ryann Weirens. "It's fun to do the rock wall, swimming lessons, play basketball, and walk with my dad around the track." Ryann also aspires to be a lifeguard and swim teacher.

Ryann's dad, Blake, who has diabetes and uses a cane due to a car accident, lifts weights to gain strength. The Weirens are able to enjoy all the benefits of the Y due to financial assistance with their membership and program fees. "The Y has been so supportive to us. It's such a great place! I always feel better when I leave."

BETTER HEALTH AND A NEW COMMUNITY

James first joined the YMCA in 2019 at the urging of his physician. He suffered from congestive heart failure and was overweight. He's feeling much better these days due to losing more than 70 pounds and exercising most days of the week.

Yet, improved health isn't the only benefit James receives from the Y. In his words, he has found a community, a new family.

After working out early each morning, he enjoys sharing coffee and fellowship with his group of "80s ladies." (James is 61.) "I thank God and the Y. My heart can breathe again, I have met many new friends and the staff is great. I LOVE the Y!"

QUALITY FAMILY TIME

"The stair machine is the most fun for me!" says sixth grader Wesley Djoumbaye when talking about the Y. He likes working out with his dad, Yacine. Both Yacine and his wife, Angela, work full-time and are parents of four children, ages 2 to 17. They appreciate all the healthy recreation activities the Y offers to the community, including youth sports and summer day camp. The entire family LOVES spending time together in the pool.

Angela points out that the Y is one of the few places in the community that has great options for teens. "The Y has so many well-utilized resources, the pool, basketball courts, cardio equipment, weights.... it's always busy."
